Acting as a Business Oct 29 2022 An essential handbook for actors—a modern classic—in a newly updated edition. Since its original publication, Acting as a Business has earned a reputation as an indispensable tool for working and aspiring actors. Avoiding the usual advice about persistence and luck, Brian O’Neil provides clear-cut guidelines that will give actors a solid knowledge of the business behind their art. It’s packed with practical information—on everything from what to say in a cover letter to where to stand when performing in agent’s office—including:

- How to craft a winning theatrical résumé**
- The most effective ways to join the performer’s unions**
- Tactics for getting an agent**
- Strategies for finding work in the theater, on daytime television, and in independent films**
- Navigating the different customs and cultures of New York and Los Angeles**

O’Neil has updated Acting as a Business to keep up with the latest

show-business trends, including how best to use the Internet, making this new edition no actor should be without.

Business Law, 5th Edition Feb 18 2022 Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The Business Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers.

The Interior Design Business Handbook Dec 19 2021 Thousands of interior design professionals have come to rely on The Interior Design Business Handbook for comprehensive, accessible coverage of the essential procedures, tools, and techniques necessary to manage a successful interior

designbusiness. The Fifth Edition of this essential resource has been revised to address the latest trends and changes in the field, with new and updated material on business size and structure, building a brand, client development, social networking and Internet marketing, finances, purchasing, technology and software programs, and other key areas. Complete with more than 75 sample forms and letters, this Fifth Edition is a one-stop resource for all aspects of establishing and running an interior design business—from choosing a location and managing day-to-day operations to growing a business and putting it up for sale. All of the techniques and procedures in the book are rooted in real-world experience and are used daily in successful design firms throughout the United States. Filled with valuable information for solo practices and small firms as well as larger businesses, this book is an indispensable resource for seasoned professionals as well as interior designers who are at the start of their career.

All You Need to Know about the Music Business

Aug 27 2022 A guide to the music business and its legal issues provides real-world coverage of a wide range of topics, including teams of advisors, record deals, songwriting and music publishing, touring, and merchandising.

Business Research Methods Nov 05 2020 Business Research Methods is the complete introduction to doing business research and is an ideal guide for students embarking on a research project. Developed specifically with business and management students in mind, this textbook explores the nature and purpose of business research and the issues it entails, while also providing students with practical advice through "Tips and skills" boxes. In addition to a broad range of relevant examples, the book features a substantial discussion of ethics, and a strong emphasis on the most frequent challenges faced by students, such

as choosing a research question, planning a project, and writing it up. Fresh voices and perspectives run throughout this edition. New author, Bill Harley, further internationalizes the book's coverage, based on his expertise in the Australian business and management context. Also hear from Amrit, Jordan, Anna, Ed, and Alex - an additional five students whose personal insights and advice in the "student experience" feature help you avoid common mistakes, and follow their successful strategies when undertaking your own research project. This edition has been extensively revised, updated, and streamlined. Coverage of E-Research is now woven throughout the entire book to reflect the centrality of internet-based research methods. The book is accompanied by a suite of online resources that include: For students: * Multiple choice questions * Research Project guide * Interviews with students * Data sets * Using Excel in data analysis (in Excel) * Web links For lecturers: * Test bank * Discussion questions * PowerPoint slides * Lecturer's guide * Case studies * Figures and plates from the text * VLE cartridge

Accounting in a Business Context Sep 15 2021 This is the second edition of an introduction to all the financial and management accounting concepts and techniques required by the general business

student.

***Economics* Oct 24 2019 Economics has never been so exciting to learn! The ninth edition of Economics contains the most up-to-the minute coverage and uses the latest data to track and analyse the impact of the global financial crisis on our economy. 'Economics' is popular for its active learning and student-friendly approach, and the new edition retains its classic features that provide a solid foundation for the study of economics, while covering much of the recent turmoil in the economy. Comprehensive coverage of the credit crunch, the subsequent global recession, the legacy of debt, faltering recovery in the world economy and the policy debates about tackling the problems Complete update of boxes, examples and changes to data / legislation, including more cases that relate to policy development . Want to see economics in action? Search online for the Sloman Economics News Site - a blog that's updated several times a week with current affairs and topical stories ... all linked into your textbook so you can explore the background to the issues more deeply. Need extra support? This product is the book alone, and does NOT come with access to MyEconLab. This title can be supported by MyEconLab, an online homework and tutorial system which can be used by students**

for self-directed study or fully integrated into an instructor's course. You can benefit from MyEconLab at a reduced price by purchasing a pack containing a copy of the book and an access card for MyEconLab: Economics, plus MyEconLab with Pearson eText., 9/e (ISBN 9781292064864).
