Carter Kane and his sister must prevent the chaos snake Apophis from breaking free or the world will come to an end. To have any chance of battling these Forces of Chaos, the Kanes must revive the sun god Ra. This is not your Sunday School Noah's Ark.Noah Primeval is a speculative retelling of the beloved story of Noah for a new generation. In an ancient world submerged in darkness, fallen angels rule as gods and breed giants and monsters. Mankind is enslaved to evil. Noah, a tribal leader, has been prophesied to bring an end to the rule of these "gods" and save humanity from coming destruction. But Noah's wife and son are captives of these dark forces. To rise against this supernatural evil and rescue his family Noah will need an equally supernatural army. But why has God told him to build a huge box out of gopher wood?Godawa is known as an author who both entertains and educates. Inspired by Michael Crichton's novels, Godawa has adapted his Hollywood screenwriting background into his prose style to create a reading experience that is like watching a

movie. Also similar to Crichton, Godawa has sought to provide the scholarly research that undergirds the fictional adventure. Noah Primeval has an additional 100 pages of special appendixes that provide an explanation of Biblical concepts in the novel such as the Sons of God, the Nephilim, Leviathan, and the ancient Mesopotamian Cosmography in the Bible. Noah Primeval is written in the spirit of The Chronicles of Narnia and The Lord of the Rings, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, while staying true to the original spirit of the story. While escaping from the strange men that are after him in London, Jimmy discovers he possesses many unusual talents for an eleven-year-old boy. Is their inherited magic enough to battle against the most powerful mythical forces that Egypt's gods

have to throw at them? CARTER AND SADIE KANE, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld? Rick Riordan has now sold an incredible 55 million copies of his books worldwide Praise for The Kane Chronicles: The Serpent's Shadow: 'Storytelling that will get readers hooked' - Philip Ardagh, The Guardian 'Witty and inspired. Gripping, touching and deliciously satirical.' - Times Rick Riordan is the award-winning writer of the Percy Jackson series, The Kane Chronicles and the Heroes of Olympus series. He lives in San Antonio, Texas, with his wife and two sons. Percy Jackson and the Lightning Thief was the overall winner of the Red House Children's Book Award in 2006, and made into a blockbuster film starring Sean Bean, Pierce Brosnan and Uma Thurman in 2010. The series has gone on to become a chart-topping success. ***Check out The Kane Chronicles website at www.kanechronicles.co.uk for games, puzzles, author interviews and much more.*** For Magnus Chase: Hotel Valhalla Guide to the Norse Worlds will whet readers' appetites for The Hammer of Thor. It is a 176-page, smaller format book with black-and-white illustrations throughout. Helgi - the hotel manager - created this book for each hotel guest, so that he wouldn't have to answer so many questions at the front desk. It has short entries about the deities, mythical beings, and fantastic creatures from the nine Norse worlds, and also contains bonus material, including interviews, newspaper articles, short stories and more. The tone is humorous, complementing Rick's series. I thought I was prepared for most scary situations. I've been almost kidnapped twice, fake kidnapped once, targeted by one terrorist organization and two very cute boys. But this moment was truly terrifying... Cammie 'The Chameleon' knows by now that even she can't hide from danger. But when she discovers that one of her most-trusted allies is a rogue double-agent, Cammie questions her trust in her classmates, her teachers - and her own heart... Adam has killed again. It had to be done, part of him knows that, but it changes a person. It can certainly change a teenager who's already grown up too quickly, too harshly, in the wake of the catastrophic global blackout five months ago. In the name of safety and survival, Adam and his neighbors have turned their middle American suburban neighborhood into a fortress, defending against countless enemies. Adam wants to hope, wants to be what his girlfriend Lori wants him to be—but there's always a threat tugging at the edges of his consciousness. What's lurking in the dark

is a greater danger than ever before: somebody who wants to destroy the Neighborhood and stop their strategic alignments with other powerful enclaves. More than that, though, it's personal: this somebody wants to destroy Adam. And he knows his prey is already wounded. Soon, the hunted becomes the hunter . . . and Adam hates himself for what he will have to do. Because sometimes even the dark is not cover enough for things that would never happen in the light. Despite their best efforts, Carter and Sadie Kane can't seem to keep Apophis, the chaos snake, down. Their only hope: find an ancient spell that might turn the serpent's own shadow into a weapon. The X-Files meets The X-Men in this digital original companion series that's set in the world of Pittacus Lore's #1 New York Times bestselling I Am Number Four series and its spin-off series, the Lorien Legacies Reborn. This is the fourth 100-page novella, continuing the electrifying story of fan favorite characters Six and Sam. The couple may have decided to leave Peter McKenna's covert organization, but they still have unfinished business. Six and Sam feel responsible for Ghost, one of the young Human Garde they'd met back in New Orleans. They're not sure why the girl turned against them in Mexico, but they are determined to track her down and get some answers. But are they chasing after a friend or a foe? And will they need to rescue her or defeat her? When the group finally makes contact, it seems like they might be able to convince Ghost to come back to the Academy. That is until their plans go up in flames, forcing Six and Sam to jump into action. Without any backup from McKenna or the HGA. Without their Legacies fully returned. And without a clue as to who their real enemy is. The Legacy Chronicles novellas are published as individual digital originals. The fourth, fifth, and sixth novellas will also be available together in one print volume: The Legacy Chronicles: Out of the Shadows. From the creator of PERCY JACKSON, bestselling author Rick Riordan, comes a brand-new adventure, inspired by Jules Verne's Twenty Thousand Leagues Under the Sea. Ana Dakkar is a freshman at Harding-Pencroft Academy, a five-year high school that graduates the best marine scientists, naval warriors, navigators, and underwater explorers in the world. Ana's parents died while on a scientific expedition two years ago, and the only family's she's got left is her older brother, Dev, also a student at HP. Ana's freshman year culminates with the class's weekend trial at sea, the details of which have been kept secret. She only hopes she has what it'll take to succeed. All her worries are blown out of the water when, on the bus ride to the ship, Ana and her schoolmates witness a terrible tragedy that will change the trajectory of their lives. But wait, there's more. The professor accompanying them informs Ana that their rival school, Land Institute, and Harding-Pencroft have been fighting a cold war for a hundred and fifty years. But now the heat is on and the freshman are

in danger of becoming fish food. In a race against deadly enemies, Ana will make amazing friends and astounding discoveries about her heritage as she puts her leadership skills to the test for the first time. Rick Riordan's trademark humour, fast-paced action, and wide cast of characters are on full display in this undersea adventure. "An extraordinary real-life adventure of men battling the elements and themselves, told with ice-cold precision." -Kirkus Reviews (starred review) In the dark years following the Civil War, America's foremost Arctic explorer, Charles Francis Hall, became a

figure of national pride when he embarked on a harrowing, landmark expedition. With financial backing from Congress and the personal support of President Grant, Captain Hall and his crew boarded the *Polaris*, a steam schooner carefully refitted for its rigorous journey, and began their quest to be the first men to reach the North Pole. Neither the ship nor its captain would ever return. What transpired was a tragic death and whispers of murder, as well as a horrifying ordeal through the heart of an Arctic winter, when men fought starvation, madness, and each other upon the ever-shifting ice. *Trial by Ice* is an incredible adventure that pits men against the natural elements and their own fragile human nature. In this powerful true story of death and survival, courage and intrigue aboard a doomed ship, Richard Parry chronicles one of the most astonishing, little known tragedies at sea in American history.

"ABSORBING . . . Suspense builds as Parry describes the events leading up to Hall's 'murder,' then climaxes in horrifying detail." —Publishers Weekly "RIVETING." —Library Journal

A powerful post-nuclear holocaust novel described by the author as, 'my cry against the monstrous weapons men have made'. Everyone thought, when the alarm bell rang, that it was just another fire practice. But the first bombs had fallen on Hamburg and Leningrad, the headmaster said, and a full-scale nuclear attack was imminent . . . It's a real-life nightmare. Sarah and her family have to stay cooped up in the tightly-sealed kitchen for days on end, dreading the inevitable radioactive fall-out and the subsequent slow, torturous death, which seems almost preferable to surviving in a grey, dead world, choked by dust. But then, from out of the dust and the ruins and the desolation, comes new life, a new future, and a whole brave new world... *The White Birds; The Fisherman and the Giant; The Glass Box; The Prince and his Servants; The Table, the Donkey and the Stick.* Michael must save his mother—and protect his powers—in the electric sequel to the #1 New York Times bestselling *Michael Vey*, from Richard Paul Evans. I rolled over to my back, struggling for breath. The pain continued to pulse through my body—a heavy throb followed by a sharp, crisp sting. The man said, "Trust me, there are worse things in this world than Cell 25." Michael, Taylor, Ostin, and the rest of the Electroclan have escaped from the Elgen Academy in Pasadena and are headed back to Idaho to plan their next move. But what's waiting for them there will change everything. After using their wits and powers to narrowly escape an Elgen trap, a mysterious voice leads the Electroclan to the jungles of Peru in search of Michael's mother. Once there, they discover that Dr. Hatch and the Elgen are far more powerful than anyone realizes; entire countries have begun to fall under their control. Only the Electroclan and an anonymous voice now stand in the way of the Elgen's plan for global domination. But is the voice that Michael is following really an ally, or is it just another Elgen

trap? "Patrice Michelle writing as P.T. Michelle"--Cover. A brilliant new adventure series from the best-selling author of Percy Jackson. Carter and Sadie have nothing in common but their parents: their father Dr. Julius Kane, a brilliant Egyptologist, and their mother, a famed archaeologist who died under mysterious circumstances when they were young. The siblings barely know each other, but one night, their father brings them together at the British Museum, promising a 'research experiment' that will set things right for their family. His plans go horribly wrong. An explosion unleashes an ancient evil - the Egyptian god Set who banishes Dr. Kane to oblivion and forces the children to flee for their lives. Now orphaned, Carter and Sadie must embark on a dangerous quest - from Cairo to Paris to the American Southwest, to save their father and stop Set from destroying everything they care about . . . Percy Jackson fought Greek Gods. Now the Gods of Egypt are waking in the modern world... 'I GUESS IT STARTED THE NIGHT OUR DAD BLEW UP THE BRITISH MUSEUM . . .'

If you haven't yet read the Kane Chronicles, Rick Riordan's action-adventure trilogy based on Ancient Egyptian mythology, don't miss this paperback edition with new cover art and a Percy Jackson-Kane Chronicles crossover story, "The Crown of Ptolemy." When young magicians Carter and Sadie Kane learned how to follow the path of the Ancient Egyptian gods, they knew they would have to play an important role in restoring Ma'at--order--to the world. What they didn't know is how chaotic the world would become. The Chaos snake Apophis is loose and threatening to destroy the earth in three days' time. The magicians are divided. The gods are disappearing, and those who remain are weak. Walt, one of Carter and Sadie's most gifted initiates, is doomed and can already feel his life force ebbing. Zia is too busy babysitting the senile sun god, Ra, to be of much help. What are a couple of teenagers and a handful of young trainees to do? There is possibly one way to stop Apophis, but it is so difficult that it might cost Carter and Sadie their lives, if it even works at all. It involves trusting the ghost of a psychopathic magician not to betray them, or worse, kill them. They'd

have to be crazy to try it. Well, call them crazy. With hilarious asides, memorable monsters, and an ever-changing crew of friends and foes, the excitement never lets up in *The Serpent's Shadow*, a thoroughly entertaining and satisfying conclusion to the Kane Chronicles. The adventure begins here - the first novels from the five groundbreaking series by Rick Riordan! Starting with *THE LIGHTNING THIEF*, the book that launched millions of readers into the amazing world of Greek mythology, to *THE HIDDEN ORACLE*, the story that gives a new look to Roman myths -- not to mention the god, Apollo -- with visits to Egypt and Valhalla in between. This beautifully packaged boxed set will thrill fans who want to relive the adventure and magic again, and will open the door to new readers of Riordan's epic storytelling. Greetings, initiate!
