Meet Nick Sax: a corrupt, intoxicated ex-cop turned hitman, adrift in a stinking twilight world of casual murder, soulless sex, eczema, and betrayal. With a hit gone wrong, a bullet in his side, the cops and the mob on his tail, and a monstrous child killer in a Santa suit on the loose, Nick and his world will be changed forever this Christmas by a tiny blue horse called Happyf. This deluxe edition of HAPPY! includes 10 extra pages of story by creators GRANT MORRISON and DARICK ROBERTSON. Collects HAPPY! #1-4 The culmination of Dane's initiation arrives in the finale to "Down and Out in Heaven and Hell"! The dizzying ritual brings Dane face-to-face with death itself. If he survives, Dane will finally meet King Mob and the rest of the Invisibles--shown for the first time--and embark on a new life... Superheroes are enjoying a cultural resurgence, dominating the box office and breaking out of specialty comics stores onto the shelves of mainstream retailers. A leading figure behind the superhero Renaissance is Grant Morrison, long-time architect of the DC Comics' universe and author of many of the most successful comic books in recent years. Renowned for his anarchic original creations--Zenith, The Invisibles, The Filth, We3--as well as for his acclaimed serialized comics--JLA, Superman, Batman, New X-Men--Grant Morrison has radically redefined the superhero archetype. Known for his eccentric lifestyle and as a practitioner of "pop magic," Morrison sees the superhero as not merely fantasy but a medium for imagining a better humanity. Drawing on a variety of analytical approaches, this first-ever collection of critical essays on his work explores his rejuvenation of the figure of the superhero as a means to address the challenges of modern life. Bruno Premiani, the Doom Patrol was reborn a generation later through the singular imagination of a young Scottish author - and the result took American comics in a wholly unexpected direction. In forging their new path, the reborn World's Strangest Heroes left behind almost every vestige of normality. Though they are super-powered beings, and though their foes are bent on world domination, all that is conventional ends there. Shunned as freaks and outcasts, and tempered by loss and insanity, this band of misfits faces threats so mystifying in nature and so corrupted in motive that reality itself threatens to fall apart around them - but it's still all in a day's work for the Doom Patrol. Written by Grant Morrison and featuring art by Richard Case, Mark McKenna, Kelley Jones, Mike Dringenberg and Steve Yeowell, DOOM PATROL BOOK TWO collects issues #35-50 of the groundbreaking series and includes a foreword and special sketchbook section from Morrison. One of Grant Morrison's most controversial and trippiest and abstract comic book titles! Follow the adventures of The Invisibles, a secret organization out to battle against physical and psychic oppression brought upon humanity by the interdimensional alien gods of the Archons of Outer Church! Collects THE INVISIBLES #1-12, ABSOLUTE VERTIGO #1. From the twisted imagination of Grant Morrison comes a groundbreaking, mind-altering voyage of conspiracies and revelations. Greg Feely is a "dodgy bachelor" living a quiet life in London alone with his elderly cat. Everything changes when a strange woman named Miami Nil confronts him. She informs him that "Greg Feely" is actually a "para-personality"--in effect, a secret identity--and that he is in fact Ned Slade, the top agent for an organization called the Hand, a group of extra-dimensional agents who need Greg/Ned back in action! This out-of-the-box sci-fi story encapsulates the superb talents of two amazing creators into one of the most original graphic novels ever! From the legendary writer Grant Morrison (DOOM PATROL, BATMAN, THE INVISIBLES) and Chris Weston (THE INVISIBLES) comes sci-fi weirdness of the deepest level. Features the complete series of THE FILTH (#1-13) with extra sketch material and annotations from Grant Morrison. Every paranoid fantasy, every conspiracy theory, every alleged cover-up and government deception, every tabloid story you've ever heard ...imagine if it all were true. Discover a world where paranoia is a survival skill and the only hope for mankind is a group of unconventional occultist freedom fighters-The Invisibles. This second trade paperback collection first appeared in The Invisibles Volume 2 #1-4 and are now collected in this volume. One of Grant Morrison's most controversial, trippiest and abstract comic book titles! Follow the adventures of the Invisibles, a secret organization out to battle against physical and psychic oppression brought upon humanity by the interdimensional alien gods of the Archons of Outer Church! Introducing the latest recruit into the covert action team known as the Invisibles: a teenage lout from the streets of London. Can Dane survive a mind-altering training course administered by King Mob? A collection of the great work of author Grant Morrison is collected here in The Invisibles Book One! Written by Grant Morrison with art from Steve Yeowell, Jill Thompson, John Ridgway, Steve Parkhouse and Brian Bolland. Collects The Invisibles #1-12 and Absolute Vertigo #1. KILL YOUR BOYFRIEND is an over-the-top black comedy of rebellion and teen romance topped with a heady mix of random violence and dark humor. A British schoolgirl yearning for excitement joins up with an angry rebel boy intent on tearing down middle-class England. Grant Morrison's 13-issue maxiseries is collected in one mammoth volume. This imaginative series was a heady brew of big ideas, exotic locales and bizarre action, featuring some of the wildest imagery in all of comics, including prosthetically outfitted dolphins in scuba gear and a hard-smoking chimpanzee in Kremlin garb. Young Dane's initiation into the secret society of the Invisibles continues with a glimpse at past operatives, a dizzying flight through the eyes of a bird and a terrifying near-death experience that teaches him to see the world with new eyes. All in part 2 of "Down and Out in Heaven and Hell"! Berlin, 1945: The allies unleashed the second world war hero Maximian upon the German super soldier Masterman. Maximian's defeat was only kept secret by the nuclear bomb which destroyed both men. Forty-plus years later, and twenty years after a generation of '60s British superpowered heroes came and went, the teenage pop star Zenith is the only superhuman left - and his only interest in women, drugs, alcohol and fame. So when he is contacted about the threat from the many-angled ones and the impending destruction of our world, his first reaction is to steer well clear. But the superhumans of the past have other plans... This imaginative series by award-winning creator Grant Morrison brings readers a heady brew of big ideas, exotic locales, and bizarre action, featuring prosthetically outfitted dolphins in scuba gear and a hard-smoking chimpanzee in Kremlin garb. This all new deluxe edition collects the entire The Filth series in a beautiful hardcover edition. Collects The Filth #1-13. Grant Morrison redefined comics in the 1980s and early '90s, from his trailblazing creation of ZENITH, through his metatextual innovations in ANIMAL MAN, to his Dadaist super-heroes in DOOM PATROL. Along the way, he also addressed Batman with his multi-layered ARKHAM ASYLUM and his literary "Gothic" storyline. Callahan examines all five works in detail, drawing out their evolving themes and exploring Morrison's sometimes difficult texts in plain language. Rounding out the volume: an exclusive interview with Morrison, a foreword by popular comics writer Jason Aaron, and an appendix addressing Morrison's even earlier, shorter work. From Sequart Research & Literacy Organization. More info at <http://Sequart.org> Published in 2002-2003, Grant Morrison and Chris Weston's THE FILTH is disgusting, deeply disturbing, and a comic-book masterpiece that inoculates readers against the problems of the postmodern condition. So says Tom Shapira, who also explores THE FILTH's relationship to Morrison's THE INVISIBLES, to the 1999 film THE MATRIX, and to the work of Alan Moore. The book also includes interviews with Grant Morrison, Chris Weston, and inker Gary Erskine, plus art from Weston illuminating the design of the series and containing imagery censored in the printed comic. From Sequart Research & Literacy Organization. More info at <http://Sequart.org> A fresh entry point into the vivid, mindbendingly fast-paced occult-charged world of the Devlin Waugh - everyone's favourite gay vampire exorcist! Vatican exorcist, freelance paranormal investigator and altogether dashing rogue, Devlin Waugh is in the business of getting up close and extremely personal with the occult! This time he'll have to rescue his debtor brother Freddy from a casino suspended over an unending interdimensional void, save Brit-Cit from a plague of mutagenic nightmare spores, and befriend a possessed demonic dildo, all while negotiating boyfriends ex- and current... Grant Morrison's graphic novel series, The Invisibles, has been hailed as an ambitious comics masterpiece-- but it's also frequently written off as incomprehensible. Meaney provides in-depth analysis that makes sense of the series's complicated ideas, fractured chronology, and delirious blend of fiction and reality. He explores how the series's fictional conspiracy theories fare in the wake of 9/11 and the War on Terror. Editor SHELLY BOND has been throwing red ink at comic book writers, artists, letterers, colorists, and logo designers for over three decades. "I Will Show You Fear in a Handful of Ink?" Learn the nuts and bolts of making comics from an award-winning editor's point of view. Bond has worked with New York Times Best-selling writers and artists including Neil Gaiman, Grant Morrison and Jill Thompson during a 22-year run at DC Comics' Vertigo line, where she rose in rank from assistant editor/ingenue to VP-Executive Editor. Bond also spent three years as the creator/editor of Black Crown, IDW's "indie record label" imprint that celebrated music and comics. Whether you're interested in an editorial career, want to level up your writing or art game, or just become a more discerning comics reader, FILTH & GRAMMAR: THE COMIC BOOK EDITOR'S (SECRET HANDBOOK) gives you the insider info you need to improve your storytelling skills and understand the collaborative roles integral to making comics. 10 illuminating chapters from idea to execution. 168 pages. Plus: Pro-tips from industry all-stars and "A Day in the Life of a Comic Book Ingenue, short interlude comics illustrated by Imogen Mangle and Laura Hole. A naive, young sailor goes on an unexpected epic quest across seven seas and seven skies learning that the awesome secrets of the universe come with a correspondingly terrible price. One of the most eclectic and distinctive writers currently working in comics, Grant Morrison (b. 1960) brings the auteurist sensibility of alternative comics and graphic novels to the popular genres--superhero, science fiction, and fantasy--that dominate the American and British comics industries. Morrison's comics range from bestsellers featuring the most universally recognized superhero franchises (All-Star Superman, New X-Men, Batman) to more independent, creator-owned work (The Invisibles, The Filth, We3) that defies any generic classification. In Grant Morrison: Combining the Worlds of Contemporary Comics, author Marc Singer examines how Morrison uses this fusion of styles to intervene in the major political, aesthetic, and intellectual challenges of our time. Morrison's comics blur the boundaries between fantasy and realism, mixing autobiographical representation and cultural critique with heroic adventure. They offer self-reflexive appraisals of their own genres while they experiment with the formal elements of comics. Perhaps most ambitiously, they challenge contemporary theories of language and meaning, seeking to develop new modes of expression grounded in comics' capacity for visual narrative and the fantasy genres' ability to make figurative meanings literal. There are worlds you have never imagined. Worlds beyond the ones you know. Worlds where heroes fight for truth and justice. Worlds where darkness reigns, and only a chosen few keep the light alive. Worlds of magic and science, comedy and tragedy, monsters and marvels. Fifty-two worlds. Infinite possibilities. And one threat great enough to destroy them all. This is THE MULTIVERSITY. The Invisibles, a cutting edge group of occultist subversives, defend the frontlines against the ultimate conspiracy. Now the battle lines have been drawn, the conspiracy has been revealed. Or has it? Reality is inverted and the Invisibles are cast back into their own past. This title collects all three volumes of controversial and fan-loved series 'The Invisibles'. Follow the adventures of The Invisibles, a secret organization out to battle against physical and psychic oppression brought upon humanity by the interdimensional alien gods of the Archons of Outer Church. Morrison told the story of a kind-hearted, vegetarian hero who loses his family and is pushed to the brink of insanity before confronting his author in the run's extraordinarily meta finale. Rolling Stone Grant Morrison overhauled Animal Man in a typically imaginative manner. Entertainment Weekly Morrison quickly became the hottest writer in the industry. Complex Magazine Buddy Baker, a.k.a. The Man with Animal Powers, is a second-rate superhero, devoted father and animal activist. There isn't much money in the hero game, and with a wife and kids to support, Buddy soon finds himself torn between trying to make a living through traditional super-heroics and getting more deeply involved in the questionably legal world of animal rights activism. But in today's world, with real-life issues, who really needs Animal Man's

protection? Is it humankind or the animals? Or is it Buddy himself? From the Eisner Award-winning and New York Times best-selling writer Grant Morrison comes one of his earliest, now classic, works exploring the nature of reality itself through the lens of a down-on-his-luck family-man superhero. This first of two 30th Anniversary Deluxe Edition hardcovers collects Animal Man #1-13, the character's dimension-spanning creation tale from Secret Origins #39 and an introduction by Grant Morrison. Collects the first nine issues of the "Animal Man" comic, in which Buddy Baker uses his ability to transform into any animal he touches to help save mankind. Shunned as freaks and outcasts, the psychologically troubled members of the Doom Patrol encounter the deadly Scissormen and must determine what is real and what is not. One of Grant Morrison's trippiest, abstract and most controversial comic book titles. Follow the adventures of The Invisibles, a secret organization out to battle against physical and psychic oppression brought upon humanity by the interdimensional alien gods of the Archons of Outer Church! Collects THE INVISIBLES #1-12 and ABSOLUTE VERTIGO #1. What do Batman, Doctor Who, quantum physics, Oscar Wilde, liberalism, the second law of thermodynamics, Harry Potter fanfic, postmodernism, and Superman have in common? If your answer to that was "Nothing" then... well, you're probably right. But in this book Andrew Hickey will try to convince you otherwise. In doing so he'll take you through: How to escape from a black hole and when you might not want to The scientist who thinks he's proved the existence of heaven and what that has to do with Batman What to do if you discover you're a comic-book character Whether killing your own grandfather is really a bad idea And how to escape from The Life Trap! An examination of the comics of Grant Morrison, Alan Moore and Jack Kirby, Doctor Who spin-off media, and how we tell stories to each other, Sci-Ence! Justice Leak! tells you to look around you and say: "This is an imaginary universe... Aren't they all?" Once he was Hero of the Beach...and of the Doom Patrol. Now Flex Mentallo, the Man of Muscle Mystery, returns to investigate the sinister dealings of his former comrade, The Fact, and a mysterious rock star whose connection to Flex may hold the key to saving them both. This fast-paced tale twists super-hero tropes, introducing one mind-boggling concept after another. This long-asked-for Vertigo title is collected at last, presenting an early collaboration between writer Grant Morrison and artist Frank Quitely, who would win much acclaim on ALL-STAR SUPERMAN. Five debut issues from the frontiers of graphic narrative: The Invisibles, comic-book revolutionary Grant Morrison's saga of a terrifying conspiracy and the resistance movement combating it - a secret underground of ultra cool guerrilla cells trained in ontological and physical anarchy! Preacher, Garth Ennis and Steve Dillon's modern American epic of life, death, God, love and redemption - filled with sex, booze and blood! Fables, the immortal characters of popular fairy tales have been driven from their homelands and now live hidden among us, trying to cope with life in 21st-century Manhattan! Sandman Mystery Theatre, a vivid reimagining of the 1940s detective genre, brought to absorbing life by Matt Wagner and Guy Davis! Lucifer, walking out of hell (and out of the pages of New York Times best selling author Neil Gaiman's The Sandman), an ambitious Lucifer Morningstar creates a new cosmos modeled after his own image! "The world is not what it seems. Behind the curtain of everyday existence, a vast and unholy conspiracy is at work, twisting and deforming reality to pave the way for colonisation by hideous extra dimensional powers. Facing this onslaught is a laughably small resistance movement scattered across space and time- a handful of subversives known as The Invisibles. This silent guerrilla war has raged for millennia, shaping the very fabric of the universe. But now the countdown to the final battle has begun, and soon everyone will have to make their choice: crushing, soul-rending conformity, or radical, anarchic freedom."--page [4] of cover of Book 1.
