Traces of Previous Lives Aug 25 2022 Traces of Previous Lives recalls a time in the life of Supreme Master Ching Hai, a time filled with youthful love as well as a time that Her motherland was engaged in war. This collection of poems reflects that period of Her life in their expression of the sweet pain of romantic love as well as the suffering created by war. But even more than that, the Author's deep spiritual insight and compassion give every poem an uplifting quality. The poems in the first part of the book reminisce about love. That first awakening of feelings for another besides one's parents is the most golden time in a person's life, and the memories never depart. To the Poet, the offering of this love is always innocent, pure and completely devoted. Such love is expressed freely, without a thought for its return: Last night, I had a beautiful dream. I heard footsteps And your sweet voice, humming! (From "Dream") Even the painful 'thorns' of love are part of its wondrous experience: Love is a blushing rose blossoming Gorgeous, radiant, but piercing! (From "Love Is...") No matter what the age of the

reader, one is still transported to the world of exquisite yearning and bedazzled delight when experiencing through the Author's eyes: You have come, and I feel youthful once more, Like a twinkling star in this magnificent universe. (From "Beside You") But beyond the beauty of romantic love, these poems also speak to its underlying power. Love is the most motivating force in life; it brings new hope and softens the soul. Without love, life has no meaning. With love, any difficulty or obstruction can be overcome. And so it is that the personal love described so eloquently in Traces of Previous Lives is also a beacon, illuminating the heart's way to the more elevated love of compassion and selflessness. The poems in the second part of Traces of Previous Lives reveal the suffering and separation caused by war. However, while deploring its tragedies, the Author praises the dedication and faithful loyalty of those who love and serve their country. Hats off to honor such spirit of devotion, Although in exile, you still display patriotic allegiance. (From "To Vinh Liem") One who can endure hardship to protect and keep peace in one's country for the benefit of all must have an elevated soul. But so too, does the one who forsakes personal comfort to stand with others and uphold the noble principle of non-violence toward one's fellow beings. Together we march under the open sky, Despising tyranny, filled with sorrow for our motherland... (From "In Anguish over the Loss of One's Country") Finally, it can be said that each poem in Traces of Previous Lives is an opportunity for an awakening. A poem of romantic love may stir the soul to realize its thirst for the highest true love, which is the universal love for all beings. A poem of war may cause the painful longing for true peace, which is the peace that comes from within. These awakenings are glimpses into the ideal world, and to aspire for this world means to embark on the greatest journey of all: the spiritual journey.

*November Jan 26 2020 "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.*

Wounded Kiss Jan 18 2022 From USA Today best-selling author, Willow Winters, comes a tempting tale of fated love, lust-filled secrets and the beginnings of an epic war. His chiseled jaw and silver gaze haunts both my nightmares and my dreams, though I've only ever gotten a glimpse of either. There's a treaty between us and them; mere mortals and the ones who terrify but keep us safe. The contract demands that every year there's an offering and this year I'll walk across that stage presenting myself. We have no idea what to expect if they choose someone, since they haven't done so in generations. The only thing we know is that the ones they take belong to them forevermore. If chosen, you don't come back, or so the story of the treaty goes. Gather and present yourself. This is the offering and I ... belong to him.
