Wild Rescue May 26 2022 Not your typical shifter romance story! Embark on a safari adventure full of surprises, steamy scenes and verbal smack downs! Madison Bright is on the run—from her family, from her life in America, from herself. She's determined to find her own way in life, to figure out how she can use the gift she has to help better society. She decides to join an anti-poaching group called Wild Resist in Zimbabwe, and is thrown into a world of smothering heat and deadly betrayal. The organization's owners, Gamba and Nana, welcome her warmly, and introduce her to the Tutani brothers. Madison volunteers to head out on a patrol immediately, eager to prove herself—but perhaps more eager to get some alone time with the sexy and mysterious Tashinga Tutani. This patrol, however, turns out to be anything but routine... Excerpt: It was dark, and the only sound was that of the wind whispering through the long grass. That didn't last. Soon Madison heard the sounds of footsteps across the plains—muted, as though they didn't want to be heard. Human. The scene flashed and changed. Now she stood in front of a large map of the Hwange National Park. She had studied this map in recent months, and knew where the village was, where the campgrounds were, and other important points. Suddenly, a spot of blood surfaced on the Northwestern corner, spreading out as it soaked languidly through the paper. The scene changed again. She stood on the ground as a massive foot passed overhead. An elephant. She was amongst a herd of them as they hefted their weight across the grassy landscape. They were beautiful. Suddenly, a cracking shot rang out. One of the elephants cried out in agony. It sounded almost human. Author's Note: This is a stand-alone story with an HEA, so no cliff-hangers! Bad Hoss Mar 12 2021 Locals may know Windemere for its rolling pastures, horse ranches, and rough-and-tumble bad boys, but there's more going on than meets the eye. Hometown curvy girl Mia Isley is ready to leave Windemere in her rearview. She's had enough of town politics and men who can't own up to wanting a woman with more to hold onto at night. But when gorgeous bad boy Storm Whitehorse runs afoul of the local law again, Mia can't deny that she suspects there's more to the troublemaker than just a temper. And she knows the one man who can help-the equally handsome horse rancher Teagan Quaid. Only problem is that Teagan hasn't spoken to Mia in the year since he dumped her without explanation. That, and the fact that Teagan's no man. There was a time when Teagan Quaid was the bad boy of Windemere, just like Storm, before Quaid embraced his nature and became the lead stallion of Windemere's herd of horse shifters. With rivalry clearly boiling between the two men, each convinced Mia is in love with the other, how can she save them both from the dark and lonely destinies closing in on them and on Windemere? And do they even want saving? You can't ride into Heaven on a bad hoss, her daddy used to say. Mia knows that all depends on what a girl means by "heaven."
